

I am writing to ask you to not let new LPFM stations take priority over current FM translator service. I listen to K-LOVE everyday. I enjoy the positive and encourageing music, stories and news reports they broadcast. K-LOVE supports wholesome values and family-friendly programming all across our great nation. It's broadcasts uplift people with high standards and moral conduct. There is no bashing of anyone, no degrading of our government, no vulgar language nor suggestive comments. It is a station ANYONE can listen to 24 hours a day/ 7 days a week. There is no need for a 7 second delay. This station is one of a few who are out there bringing good, wholesome broadcasting to America and I feel this type of service should be preserved. Thank you for your consideration on this matter.
